ALD. BOHL

Resolution relating to installation of a flashing light traffic signal at the intersection of Appleton Avenue and Villard Avenue.
- Analysis -

This resolution directs the Department of Public Works (DPW) to take all actions necessary to effect the installation of a flashing light traffic signal at the intersection of Appleton and Villard Avenues. The resolution also directs DPW to report to the common council about the installation no later than July 31, 2000.

Whereas, Engleburg School is located near the intersection of 2 busy Milwaukee thoroughfares -- Appleton Avenue and Villard Avenue; and

Whereas, The principal of Engleburg School has requested installation of a flashing light, on or near the existing Engleburg School signs, to control traffic at this intersection; and

Whereas, The safety of school children and other pedestrians would be greatly improved if traffic at the intersection was controlled by a flashing traffic signal device; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Department of Public Works is directed to take all actions necessary to effect the installation of a flashing light traffic control device at the intersection of Appleton Avenue and Villard Avenue; and, be it

Further Resolved, that the Department of Public Works is directed to report in writing to the common council no later than July 31, 2000, concerning the installation of this traffic control device.
