c. Includes the taking of pictures, photographs or snapshots by any process whatsoever on city streets or highways for offering for sale to any person a copy of the picture so taken for a consideration in any form.

2. EXCLUSION. The term "professional photography" does not include the following:

This provision shall not apply to a professional photographer who is solely engaged in activities described in sub. 1-c.

b. Businesses Outside City Limits. Every person, firm or corporation whose place of business is located outside of the limits of the city and who shall conduct any part of his or her business within the city shall obtain a license in accordance with this section, except that no investigation and report by the commissioner of neighborhood services shall be required. The applicant shall, however, have an established place of business. 13. RENEWAL OF LICENSES. a. Renewal. Application for the renewal of a professional photographer's license shall be made to the city clerk. The clerk shall refer the application to the chief of police and the commissioner of neighborhood services for review. If the chief of police and the commissioner of neighborhood services indicate that the applicant still meets the licensing qualifications, the application shall be referred to the common council for approval unless an objection has been filed with the city clerk at least 45 days prior to the date on which the license expires, provided that the renewal was filed by the date established by the city clerk. This objection may be filed by any interested person. If an objection is filed, or if a determination is made that the applicant no longer meets the licensing qualifications, the application shall be forwarded to the licensing committee for a hearing on whether the application should be recommended for approval or denial to the common council.

b. Procedure for Nonrenewal. If there is a possibility that the committee will not recommend renewal of a license, the procedures for notice, committee hearing and review by the common council provided in sub. 13 shall govern.

a-2. Due Process Hearing and Common Council Review. If there is a possibility that the licensing committee will not recommend renewal of the license, or if revocation or suspension proceedings are initiated, the procedures for notice and committee hearing and for the committee report, recommendations and common council consideration provided in ss. 85-3 to 85-5 shall govern.

b. Request To Surrender A License Or To Withdraw A Renewal Application. If a licensee wishes to surrender his or her license or withdraw a renewal application after receiving a notice for a hearing on nonrenewal, revocation or suspension, the procedure provided under s. 85-13-7 shall govern.

c. Grounds For Nonrenewal, Suspension or Revocation. The recommendation of the committee regarding the licensee shall be based on evidence presented at the hearing. Probative evidence concerning nonrenewal, suspension or revocation may include evidence of circumstances cited in s. 85-4-4.

16. COUNCIL ACTION. Following the receipt of a report and recommendations of the committee, the common council shall consider the report and recommendations pursuant to the procedures provided in s. 85-5.

ss. 85-13 and 85-15 shall govern.

18. PENALTY. Any person who shall violate this section shall upon conviction therefor forfeit not more than \$500 for each offense together with the costs of prosecution, and in default of payment thereof be imprisoned in the county jail or house of correction of Milwaukee county for not more than 20 days.

7. REQUEST TO SURRENDER A LICENSE OR TO WITHDRAW A RENEWAL APPLICATION.

a. If a licensee wishes to surrender his or her license or withdraw a renewal application after receiving a notice for a hearing on nonrenewal, revocation or suspension, the licensee shall request, in writing, permission from the licensing committee to do so prior to the commencement of the hearing. The committee may approve the request, or deny the request and proceed with the hearing. If a licensee who has surrendered his or her license wishes to have the surrendered license returned, regardless of whether the license was surrendered, the licensee shall request, in writing, permission from the licensing committee to do so and appear before the committee at the date, time and place specified in written notice provided to the licensee by the city clerk. The committee may approve the request and return the license without further action by the common council, provided that the period for which the license was originally granted has not expired, or make a recommendation to the common council to deny the request based on the same grounds set forth for nonrenewal or revocation of the license. If the committee makes a recommendation to deny the request for the return of the license, all committee recommendations shall be prepared and common council actions conducted in the same manner set forth for nonrenewal or revocation.
