Whereas, Pursuant to the resolution, the City has agreed to enter into an agreement under which the City will irrevocably deposit general fund revenues with the trustee to purchase direct obligations of the U.S. Government in an amount sufficient together with earnings thereon to pay the principal and interest due on the notes at maturity; and

Whereas The Commissioners of the Public Debt have determined to issue short-term promissory notes, Series of 2000-A for delivery on or about March 1, 2000 in the principal amount of \$112,000,000 pursuant to the provisions of sec. 67.12(1), Stats., for the purpose of financing the operating budget on an interim basis pending receipt of State shared revenue payments in November, 2000; and

Whereas, The City and The Chase Manhattan Bank, the City's fiscal agent, are desirous of entering into an agreement wherein and whereby the City will deposit general fund revenues on or before December 31, 2000 with The Chase Manhattan Bank to purchase direct obligations of the U.S. Government thereon to pay the principal and interest due on the notes at maturity; now, therefore, be it
