### THE CHAIR

Resolution authorizing easements with Wisconsin Electric Power Company on the Milwaukee Fire Department property at 5585 North 69th Street and the Milwaukee Police Department property at 6929 West Silver Spring Drive, in the 2nd Aldermanic District.

This resolution authorizes easements for underground electrical facilities across City-owned properties.

Whereas, The Milwaukee Fire Department ("MFD") is working with Wisconsin Electric Power Company, doing business as WE Energies, to upgrade electrical service to Engine No. 8 at 5585 North 69th Street; and

Whereas, MFD and MPD have reviewed the proposed easements and determined that the easements will not interfere with use of the properties; and

Whereas, The City of Milwaukee ("City") shall not require compensation for the easements because the easements provide improved electrical service to municipal facilities; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the easements with Wisconsin Electric Power Company, doing business as WE Energies, at the City-owned properties at 5585 North 69th Street and 6929 West Silver Spring Drive are approved; and, be it

Further Resolved, That the required City officials are authorized to execute the easement document for both easements on behalf of the City.
