- Analysis -

This resolution amends a special privilege granted to Hotel Investment Property Partners LLC to place and maintain a covered walk on the east side of Old World 3rd Street, and for an excess door swing projection into the north side of West Wisconsin Avenue at an emergency exit of a stair tower, both of which encroach into the public rights-of-way abutting the premises at 236-240 West Wisconsin Avenue to now grant permission for an additional covered walk, which extends into the public right-of-way of Old World 3rd Street.

Whereas, Hotel Investment Property Partners, LLC was granted a special privilege under Common Council Resolution File Number 971466, on February 10, 1998, to place and maintain a covered walk at the Old World 3rd Street entrance to the hotel known as Inn Towne Hotel located at 236-40 West Wisconsin Avenue; and

Whereas, Hotel Investment Property Partners, LLC was granted a special privilege under the same file number for an outward swinging door at the West Wisconsin Avenue side of the building that, when fully opened, projects in excess of the allowable one foot encroachment (Section 245-4-8 of Code of Ordinances); and

Whereas, The present request is to be granted permission for an additional covered walk to extend into the public right-of-way of Old World 3rd Street; and

Whereas, Said covered walks and door swing projection may only legally occupy the public rights-of-way by the granting of a special privilege resolution by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Common Council Resolution File Number 971466 is hereby rescinded; and, be it

Further Resolved, By the Common Council of the City of Milwaukee that Hotel Investment Property Partners LLC, d/b/a Best Western Inn Towne Hotel, 710 Old World 3rd Street, Milwaukee, WI 53203, is hereby granted the following special privileges:

1. To keep and maintain a covered walk at the property known as 236-240 West Wisconsin Avenue at the entrance known as 710 Old World 3rd Street. Said covered walk, 15-feet 6-inches in width, is centered approximately 110 feet north of the northline of West Wisconsin Avenue and encroaches approximately 13 feet into the 15-foot wide sidewalk area on the east side of Old World 3rd Street at the 710 Old World 3rd Street address. The covered walk is supported by the building, by two vertical supports near the building side of the structure and by two vertical supports near each corner closest to the curb along each side of the covered walk. Each vertical support nearest the curb is centered approximately 2 feet from the curbline, with a second vertical support located at approximately 2.5 feet east. This 2.5 foot wide space is for side curtains that are "see through." There are four additional vertical posts, two on each side, approximately 3.5 feet from the building and at the building in order to be able to also anchor "see-through" side curtains. The resulting passageway for through pedestrians is approximately 7 feet wide. At some point in the future, if this amount of passageway becomes inadequate, an order will be written to either remove the entire structure or provide the necessary width of passageway determined at that time. This will be at no cost to the City. There is an approximately 15-foot 6-inch wide opening between the vertical supports, which parallel the curb face. The minimum vertical clearance between the skirt of the covered walk and the sidewalk below shall be 8 feet 8 inches.

2. To install and maintain a covered walk, formed from side curtains beneath a stationary fabric awning at the property known as 236-240 West Wisconsin Avenue at the entrance known as 706 Old World 3rd Street. The structure is approximately 15 feet wide and is centered approximately 80 feet north of the northline of West Wisconsin Avenue. The side curtains encroach approximately 3 feet and the (roof) awning projects approximately 4 feet into the 15-foot wide sidewalk area on the east side of Old World 3rd Street, and are "see through". The minimum vertical clearance between the skirt of the awning and the sidewalk below shall be 8 feet 8 inches.

Said covered walk with side curtains shall generally be constructed in accordance with the policies set forth in Common Council Resolution File

Number 62-1211-a, adopted July 24, 1962. The frames shall be designed and supported to withstand snow and other loads of not less than 25 pounds per square foot and wind pressure of 20 pounds per square foot applied in any direction. No guy wires, brackets or diagonal braces shall be permitted lower than 8 feet above the sidewalk level. The covering shall be of approved material.

All fixtures and materials for illumination of the covered walks or side curtains shall be indicated upon the construction plans and approved prior to installation. No sign or advertising device shall be hung from, attached to, printed or painted on any part of the covered walks or side curtains. The name, street number, or character of the business may be indicated only on the vertical portion of the covered walk and shall not exceed 8 inches in height.

The grantee will be required to keep a "Loading Zone" or have a "No Parking" status adjacent to the covered walks as long as the covered walks occupy the public right-of-way.

Prior to installation, permits shall be obtained from the Departments of Public Works and City Development for the covered walk structure and side curtain structure and from the Commissioner of Public Works to occupy the right-of-way during construction, if necessary.

3. To install, use and maintain one outward swinging door that, when fully opened, will project into the public right-of-way on the north side of West Wisconsin Avenue in excess of the 12-inch maximum distance permissible under Section 245-4-8 of the Milwaukee Code of Ordinances. The door is to be used as an emergency exit at a stair tower, projecting approximately 3 feet into the 16.5-foot wide sidewalk area of West Wisconsin Avenue, centered approximately 35 feet east of the eastline of Old World 3rd Street.

Said covered walks, side curtains and door shall be constructed, installed, maintained and used to the approval of the Commissioner of Public Works and the Commissioner of the Department of Neighborhood Services

;and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege the grantee, Hotel Investment Property Partners, LLC, shall:

1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
2. File with the City Clerk a bond of a surety company duly incorporated in the State of Wisconsin, or duly licensed to do business in this State, in the sum of \$2,000.00 such bond to be approved by the City Attorney. The applicant shall also file with the City Clerk a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any one owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be canceled until after at least thirty days' notice in writing to the City Clerk.
3. Pay to the City Treasurer an annual fee which has an initial amount of \$159.09. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works any curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
5. Waive the right to contest in any manner the validity of Section 66.045 of the Wisconsin Statutes (1979), or the amount of the annual fixed fee, payable on or before July 1st of each year.
6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of the Department of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.
