Resolution directing the Commissioner of Public Works to submit a project application with the Wisconsin Department of Transportation for funding for local street improvements under the Local Roads Improvement Program.

This resolution authorizes and directs the Commissioner of Public Works to submit a project application with the Wisconsin Department of Transportation (WISDOT) for funding for local street improvements under the Local Roads Improvement Program (LRIP). The Local Roads Improvement Program provides for 50 percent reimbursement for eligible costs. City engineering and construction funds for projects undertaken under the LRIP Program will be established in future resolutions.

Whereas, State Statute 86.31 establishes a Local Roads Improvement Program (LRIP) to provide up to 50 percent reimbursement by the State of eligible costs for local street improvements; and

Whereas, Section 86.31 provides entitlement for county trunk highway, town road and city and village street improvements; and

Whereas, In 2010-2011, under the LRIP Program, the City of Milwaukee is entitled to receive reimbursement for local street improvements; and

Whereas, In accordance with TRANS 206, the administrative rule relating to the LRIP Program, a project application to the WISDOT is necessary to apply for the City of Milwaukee's entitlement; and

Whereas, In the past the application information was available in June with a due date of November 1, however this year the information was received in late September 2009; and

Whereas, The Common Council needs to authorize the application prior to the November 1, 2009 deadline; and

Whereas, The local street improvement projects attached are potential projects which are anticipated for funding under the LRIP Program, however, the actual projects will be approved through future Common Council actions; and

Whereas, Funds for projects to be undertaken under the LRIP Program are budgeted in the Street Improvement - State and/or Federal Aid Program Fund in the proposed 2010 Capital Improvement Program (Fund 0333 and Fund 0330); now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works is directed to submit a project application with the WISDOT for funding for local street improvements under the LRIP Program, a copy of which is attached to Common Council Resolution File No. 090815, and is incorporated into this resolution by reference as though set forth in full.
