295-75-1.5-f rn
295-75-1.5-f cr
- Analysis -

City code currently prohibits the parking of more than one commercial vehicle on a lot in a single, 2-family or multi-family dwelling district. This ordinance provides a definition of the term "commercial vehicle." In addition, it makes a change to the zoning code's restrictions on the length of vehicles that may be parked on a lot in a single, 2-family or multi-family district. It provides that no vehicle longer than 22 feet may be parked on a lot in a single, 2-family or multi-family district.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 200-08-17.5 of the code is created to read:

200-08. Definitions.

17.5 COMMERCIAL VEHICLE means a motor vehicle used primarily for the movement of property or special-purpose equipment as opposed to persons, or a motor vehicle that is designed to carry 10 or more persons. Commercial vehicles include vehicles commonly called delivery vans, buses and other similar vehicles.

Part 2. Section 295-75-1.5-d and e of the code is amended to read:

295-75. Parking Standards.

1.5. STANDARDS AND LIMITATIONS.

d. Not more than one commercial vehicle may be parked on a lot in a single, 2 family or multi-family district. [[Such vehicle may not exceed 18 feet in length or be equipped with more than 4 wheels.]]

e. Not more than one recreational vehicle, other than motorcycles and snowmobiles, may be parked on a lot in a single, 2-family or multi-family district. [[Such vehicle may not exceed 18 feet in length.]]

Part 3. Section 295-75-1.5-f of the code is renumbered 295-75-1.5-g.

Part 4. Section 295-75-1.5-f of the code is created to read:

d. No vehicle in excess of 22 feet in length may be parked on a lot in a single, 2- family or multi-family district.
