Whereas, The City has maximized current workplace clinic space in the Zeidler Municipal Building and has been searching to expand workplace clinic services; and

Whereas, An option is available through Froedtert Workforce Health for immediate expansion of clinic services; and

Whereas, The contract amendment will allow city employees, spouses and dependents age 6 and older who are covered under the City's health insurance to utilize Froedtert FastCare clinics at specified locations in the Milwaukee area; and

Whereas, the City of Milwaukee will pay a per visit cost of \$59 and employees will not be charged for approved services at the visit similar to the City's workplace clinic; now, therefore, be it
