SUBSTITUTE 1

ALD. COGGS, LEWIS, DODD AND SPIKER

Substitute resolution directing the Department of Employee Relations to report regularly on the effect of the COVID-19 vaccination mandate on City employees and City employment.

This resolution directs the Department of Employee Relations to develop a framework for assessing the impact of the COVID-19 vaccine mandate on hiring, recruitment and retention of City employees. It further directs the Department of Employee Relations to submit a report to the Common Council on the impact of the COVID-19 vaccine mandate on hiring, recruitment and retention of City employees by November 23, 2021, and on a biannual basis thereafter.

Whereas, It is unclear if vaccination mandates against the COVID-19 virus for City employees might have an effect on hiring, recruitment and retention; and

Whereas, It is in the City's best interest to understand the potential impact of any vaccine mandate against the COVID-19 virus and how it might impact department's abilities to hire and retain employees, and therefore fulfill their obligations to residents; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Common Council directs the Department of Employee Relations to develop a framework for assessing the impact of the COVID-19 vaccine mandate on hiring, recruitment and retention of City employees; and, be it

Further Resolved, That the Department of Employee Relations shall, by November 23, 2021, submit to the Common Council a report on the impact of the COVID-19 vaccine mandate on hiring, recruitment and retention of City Employees; and, be it

Further Resolved, That the Department of Employee Relations shall continue to submit a biannual report to the Common Council on the impact of the COVID-19 vaccine mandate on hiring, recruitment and retention of City Employees.
