An ordinance relating to the definition of an “objection” for alcohol beverage licensing purposes.

90-1-19 am

This ordinance clarifies the current definition of “objection” as it relates to various regulations governing alcohol beverage licenses. It states that whenever the chief of police, in response to a request for an investigation of an applicant for a license or license renewal, files a written report summarizing the arrest and convictions of the applicant which could form a basis for denial or non-renewal, that this report shall be deemed an objection.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 90-1-19 of the code is amended to read:

90-1. Definitions.

19. OBJECTION shall mean any information that could form the basis of a license denial, non-renewal, suspension or revocation. An objection may result from probative information provided by any resident >>or from the written reports summarizing the arrest and convictions of an applicant filed by the chief of police pursuant to this chapter<<.
