Substitute resolution approving levying of assessments and construction of assessable public improvement projects at various locations and appropriating funds for these purposes with the City cost of these projects approved by this resolution is estimated to be \$246,400 for a total estimated cost of \$255,400.

This resolution confirms the report of the Commissioner of Public Works, as modified by the Common Council Committee, on projects for which Public Hearings have been held. The resolution authorizes the levying of special assessments and directs the installation and construction of said public improvements. The City cost of these projects approved by this resolution is estimated to be \$246,400. The total estimated cost of these projects is \$255,400.

Whereas, The Common Council of the City of Milwaukee adopted preliminary resolutions, determining it necessary and in the public interest to construct and levy special assessments for the following improvements:

6th Aldermanic District

E. Reservoir Ave. - 600 feet m/l west of E. Garfield Ave. to N. Fratney St. (extended) (TD02284040/ST211060180) File Number 030264: Asphalt pavement construction, place curb and gutter, place sidewalk and driveway approaches where needed, sodding, and grading. (Assessable Reconstruction Paving Fund -- \$9,500; Nonassessable T.I.D. #22 Funds -- \$26,300). This project was approved for construction in 2003, and this portion of the project was delayed at the request of the developer. These funds are to be transferred to the construction account TD02284041. The total estimated cost for this project including the requested amount is \$35,800. The project is anticipated to be constructed during the 2006 construction season.
