Adoption of this substitute resolution will fulfill statutory requirements for approving a Project Plan and creating a Tax Incremental District to provide a cash grant to assist in the financing of a riverwalk and environmental remediation as well as to pay for public infrastructure improvements within the boundaries of the District and within one-half mile of the boundaries of the District. This substitute resolution authorizes the Commissioner of City Development, other public officials and the Redevelopment Authority to take such actions, as are necessary, to accomplish the objectives of the Project Plan and also directs the City Comptroller to create the necessary and appropriate accounts and subaccounts for Project Plan implementation.

Whereas, Pursuant to Section 66.1105(4) (a) through (gm), Wisconsin Statutes, on September 11, 2018, the Authority conducted a public hearing on the Project Plan, designated the boundaries of the 1st and Becher District and recommended that the District be created and submitted such recommendation to the Common Council for approval with a proposed Project Plan for the District ("Plan"), a copy of which is attached to this Common Council File; and

Whereas, Under the provisions of Section 66.1105(4) (gm)4.a., Wisconsin Statutes, not less than 50 percent, by area, of the real property within a proposed District is at least one of the following; a "blighted area" within the meaning of Section 66.1105(2) (a), Wisconsin Statutes; an area "in need of rehabilitation or conservation work" as defined in Section 66.1337(2m) (a), Wisconsin Statutes; must be suitable for "industrial sites" within the meaning of Section 66.1101, Wisconsin Statutes, and be zoned for industrial use; or must be "suitable for mixed-use development" as defined in Section 66.1105(2) (cm), Wisconsin Statutes; and

Whereas, More than 50 percent, by area, of the real property in the District is considered "in need of rehabilitation or conservation work" as defined above; and

Whereas, Per Section 66.1105(5) (b), Wisconsin Statutes, the percentage of territory within the District that will be devoted to retail business at the end of the maximum

expenditure period is estimated by the City of Milwaukee ("City") to be zero percent; and

Whereas, The Plan contains statements and other factual information indicating that the improvement of such area is likely to enhance significantly the value of real property in the District and that project costs directly serve to promote development of the District consistent with the purpose(s) for which the District is created under Section 66.1105(4)(gm)4.a., Wisconsin Statutes; now, therefore, be it
