THE CHAIR

This resolution approves an intergovernmental agreement between the City of Milwaukee and the Village of Greendale relating to the guarantee of an instantaneous flow rate of 5.25 million gallons of water per day, for considerations that are separate and distinct from those under the authority of the Wisconsin Public Service Commission. Whereas, The Public Service Commission of the State of Wisconsin has indicated that the City of Milwaukee is allowed to negotiate provisions separate from those to be included in a water services agreement, provided that such provisions do not conflict with the Commission's regulatory authority; and
