An ordinance relating to the conditions for granting of special privileges for obstruction or excavation beyond the street line.

245-12-3-b am

- Analysis -

Currently, the code provides that, as a condition for granting a special privilege for an obstruction or excavation beyond the street line, the grantee shall file with the city clerk a surety bond in an amount determined by the common council (but not to exceed \$10,000), subject to the approval of the city attorney. This ordinance provides that, in lieu of the surety bond, the grantee may submit a cash deposit in the same amount.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:
