THE CHAIR

Resolution authorizing the Commissioner of Public Works to install fiber and provide network connectivity at the expense of, and for the use and benefit of, Alverno College.

This resolution authorizes the Commissioner of Public Works to install fiber and provide network connectivity at the expense of, and for the use and benefit of, Alverno College. This will provide Alverno College connectivity to the WiscNet/BOREAS-Net Abilene/Internet2 education community node located at the at the DPW-NOC (Network Operations Center).

Whereas, The City of Milwaukee wishes to promote higher education and enhance educational resources in the community; and

Whereas, Alverno College is a 4-year, liberal arts, independent, Catholic college for women, located in the City, offering weekday undergraduate programs and Alverno on the Weekend undergraduate programs for women, as well as graduate programs for women and men; and

Whereas, Alverno College has requested the assistance of the City of Milwaukee in obtaining high-speed network connectivity between its campus and its dormitory and to the Internet through WiscNet, at its expense; and

Whereas, WiscNet is a not-for-profit association established to further education, research, economic development and public service in the State of Wisconsin by creating and operating a digital communications network interconnecting public and private organizations, including the provision of internet services; and

Whereas, Common Council Resolution File Number 051269, adopted on February 7, 2006, authorized the Commissioner of Public Works to execute an agreement between the City of Milwaukee and the WiscNet Association to establish collocation facilities within the City of Milwaukee which made it feasible for UW-Milwaukee to become a node on BOREAS-Net; and

Whereas, This collocation facility enables Milwaukee area educational institutions to gain access to WiscNet and the next generation internets, including BoreasNet, Abilene/Internet2 and other national and international networks, enabling connectivity between higher education and cultural institutions within the City of Milwaukee, including the following: Marquette University, MATC, MAID, Milwaukee Public Museum, Milwaukee Public Television, Discovery World, Pier Wisconsin, VISIT Milwaukee, Milwaukee World Festival Inc. and Midwest Airlines Center; and

Whereas, The City of Milwaukee owns dark fiber and can provide network services in certain routes that would be beneficial to the extension and enhancement of Alverno College to further its mission; and

Whereas, It would be in the best interests of the City of Milwaukee to facilitate connectivity within the City for Alverno College; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works is authorized and directed to install dark fiber and to provide network connectivity, at no cost to the City, in certain routes where capacity is available to enable Alverno College to connect to provide access to and entry to the WiscNet/BOREAS-Net collocation facility at the DPW-NOC (Network Operations Center).
