SUBSTITUTE 1  
011302

ALD. PRATT AND HENNINGSEN

Substitute resolution approving Amendment No. 1 to the Project Plan for Tax Incremental District No. 47 (875 East Wisconsin) and authorizing the proper City officials to enter into a Relocation Assistance Agreement with Roundy's, Inc., in the 4th Aldermanic District.

Adoption of this substitute resolution will fulfill statutory requirements for amending the Project Plan for TID No. 47. The amendment revises the Project Plan to adjust the expenditure budget for public infrastructure activities and to add a Project Plan expenditure category titled, Economic Development Assistance Grant, which will allow the City of Milwaukee to provide a \$300,000 grant to Roundy's, Inc., to assist them in relocating their corporate headquarters to the 875 East Wisconsin Avenue Project. This resolution also approves the agreement between Roundy's, Inc., and the City of Milwaukee for the grant.

Whereas, Section 66.1105(4)(h)1., Wisconsin Statutes, permits the Redevelopment Authority of the City of Milwaukee ("Authority"), subject to the approval of the Common Council, to amend the Project Plan for a Tax Incremental District; and

Whereas, The Common Council of the City of Milwaukee ("Common Council") on March 5, 2002, adopted File No. 011302 approving a Project Plan and creating Tax Incremental District No. 47 (875 East Wisconsin); and

Whereas, Pursuant to Section 66.1105(4)(h)1., Wisconsin Statutes, and following the required notice and public hearing, the Authority adopted Amendment No. 1 to the Project Plan for Tax Incremental District No. 47 ("Amendment"), a copy of which is attached to this Common Council File; and

Whereas, The Authority has submitted said Amendment to the Common Council for its approval; and

Whereas, Section 66.1105(4)(g) and (h)1., Wisconsin Statutes, provides that an amendment to a Project Plan for a Tax Incremental District shall be approved by the Common Council prior to or concurrent with the adoption of a resolution by the Common Council which contains findings that such amendment is feasible and in conformity with the Master Plan of the City; and

Whereas, The Amendment was duly reviewed and considered by the Zoning, Neighborhoods and Development Committee and determined to be feasible; by the Authority and determined to be sufficiently complete in detail to establish that the public works and improvements and the land uses proposed conform with the Master Plan for the City of Milwaukee ("City"), as amended to date; and by the City Attorney and determined to be complete and compliant with Section 66.1105(4)(f), Wisconsin Statutes; and

Whereas, Pursuant to Section 66.1105(4)(h)1., Wisconsin Statutes, the Amendment is further subject to review by the Joint Review Board and will be submitted to the Board for review upon passage of this resolution; and

Whereas, Roundy's, Inc., has decided to relocate its corporate headquarter facility and

over 500 jobs to the 875 East Wisconsin Building; and

Whereas, The City desires to facilitate this relocation by providing a \$300,000 Economic Development Assistance Grant, which will be used by Roundy's, Inc., to offset a portion of their relocation expenses; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, regarding Amendment No. 1 to Tax Incremental District No. 47, City of Milwaukee, that it finds and determines as follows:

1. The Amendment retains the existing boundaries of the District and does not alter the number of properties within the District. Therefore, the findings made in File No. 011302, pursuant to Section 66.1105(4) (gm)1. and 4., Wisconsin Statutes, are unchanged.
2. The Amendment retains the existing seven-year expenditure period for the District.
3. The Amendment revises the Economic Feasibility Study that is part of the Project Plan, adds activities to be supported by the District and makes related changes regarding project costs and financing; and, be it

Further Resolved, That the Amendment is approved by the Common Council and that the Project Plan for said District, as amended, is feasible, in conformity with the Master Plan for the City and will promote the orderly development of the City; and, be it

Further Resolved, That:

1. The City Clerk is authorized and directed to notify the Wisconsin Department of Revenue in such form as may be prescribed by said Department of the approval of this Amendment pursuant to the provisions of Section 66.1105(5) (cm), Wisconsin Statutes.
2. The Commissioner of City Development or her designee(s), is authorized and directed to act on behalf of the Common Council as coordinator of all Tax Incremental District ("TID") related activities, which, in her judgment, are necessary to carry out the Project Plan and intent of this Common Council File.
3. The City Comptroller is authorized and directed to increase Tax Incremental District No. 47, Account No. TD04780000, by the amount of \$300,000 from the Parent TID Account, such funds shall be approved by the Common Council through usual budgetary procedures and made available upon request by the Commissioner of City Development.

6. The Authority and all other City officials, departments, boards, authorities and commissions also are requested, authorized and directed to take all necessary actions and to provide all necessary assistance as may from time to time be needed by the above identified officials to carry out the Amendment and intent of this Common Council File.
7. The City Clerk is directed to transmit a certified copy of this Common Council Resolution, with a copy of the Amendment, to the Commissioner of Public Works, Commissioner of Neighborhood Services, Commissioner of City Development, Assessment

Further Resolved, That the proper City officials are authorized and directed to enter into a Relocation Assistance Agreement, the terms of which are outlined in a Term Sheet (a copy of which is attached to this Common Council File).
