Resolution rescinding various special privileges that are no longer necessary at various locations within the City of Milwaukee.

This resolution rescinds various special privileges granting permission for items to encroach into the public right-of-way because said items have been removed from the public right-of-way, are now permitted in the public right-of-way or are now covered under another special privilege resolution.

Whereas, Said special privileges granted permission for various encroachments in the public right-of-way; and

Whereas, The special privileges listed below are no longer necessary because the subject items have been removed from the public right-of-way by the owner; the items are now permissible encroachments under the Milwaukee Code of Ordinances; or the items are now covered under another special privilege resolution; and

Whereas, For items removed from the public right-of-way, said owners notified the Department of Public Works that they no longer need the special privilege granted them; and

Whereas, In order to release property owners from the bonding, insurance and annual special privilege fee requirements placed on the property owner as part of the granting of a special privilege, the Common Council needs to pass a resolution rescinding special privileges which are no longer needed; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the following special privilege resolutions are rescinded:
