Currently, a licensee is eligible for a provisional renewal license if the licensee files a renewal application on or before the expiration date of the license. **85-20. Provisional Renewal Licenses.**

1. ISSUANCE. If a licensee files a renewal application ~~[[on or before the expiration date of the license]]~~ but the common council will not be able to meet to take action on the application prior to the expiration date of the license, the city clerk may issue a provisional renewal license whenever:

Part 2. Section 85-20-1-f of the code is created to read:

f. The renewal application is filed before the end of the license period subsequent to the expiration date of the license.
