THE CHAIR

Resolution relative to review of Milwaukee Water Works Rates. (Water)

- Analysis -

This resolution grants authority to the proper City officials to apply to the Public Service Commission of Wisconsin for an increase in water rates.

Whereas, The Milwaukee Water Works has operated under the same water rates since September, 1994; and

Whereas, Projected increases in operating costs are expected to result in a lower rate of return in 1999 than that permitted by the Public Service Commission of Wisconsin; and

Whereas, An adequate cash flow is essential so that the Water Works may properly operate, maintain, and repair its extensive infrastructure; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Superintendent of the Milwaukee Water Works, is authorized to prepare an application for a water rate increase and present this application to the Public Service Commission of Wisconsin for review and audit; and, be it

Further Resolved, That any revised water rates granted by the Public Service Commission be submitted to the Common Council for approval prior to implementation.
