SUBSTITUTE 1
ALD. KOVAC

Substitute resolution establishing a City of Milwaukee Mobile Device Management policy for City employees and departments.

This resolution establishes a City Mobile Device Management policy. Through this policy the City will establish the rules and conditions for City-supplied cell phones and privately-owned mobile devices being used to conduct City business.

Whereas, The City Information Management Committee is responsible for policy and management of the City's information resources; and

Whereas, Mobile devices are being used in almost all City departments to increase performance in the field and extend communications beyond the office; and

Whereas, Without adequate controls, mobile device use can potentially expose individuals and organizations to threats such as data loss or theft and unauthorized access to networks; and

Whereas, The City is committed to providing and promoting mobile technology as appropriate to add value to the community by delivering high quality services at the lowest possible cost; and

Whereas, The scope of this policy includes all City employees and contractors issued and accepting City mobile devices and services from the Information and Technology Management Division; and

Whereas, Through this policy, the City will establish the rules and conditions for City-supplied cell phones and privately-owned mobile devices being used to conduct City business; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that a Mobile Device Management policy, a copy of which is attached to this file, is adopted as City policy.
