THE CHAIR

Resolution authorizing and directing the Commissioner of Public Works to execute documents titled "State/Municipal Agreement for a Highway Improvement Project" with the Wisconsin Department of Transportation for the programming and construction of various projects with Federal and/or State aid under the Surface Transportation Program. (Infrastructure Services Division)

- Analysis -

This resolution authorizes and directs the Commissioner of Public Works to execute project agreements with the Wisconsin Department of Transportation (WISDOT) for the programming and construction of two (2) local arterial streets with 80% Federal and/or State aid under the Surface Transportation Program. This resolution also directs the City Comptroller to transfer funds and establish subaccounts for the preliminary engineering for these projects. The estimated total cost of the two projects is \$3,025,000, of which the City's share is \$605,000. The estimated preliminary engineering cost for these projects is \$380,000, of which the City's share is \$76,000.

Whereas, Preliminary approval has been requested and received from the Wisconsin Department of Transportation (WISDOT) along with agreements to be executed by the City of Milwaukee for the programming and construction of the following projects with Federal and/or State aid under the Surface Transportation Program:

Aldermanic Project
District Location

11 West Morgan Avenue
West Beloit Road to
South 84th Street

16 West State Street
West City Limits to
North 35th Street

;now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works (CPW) is hereby authorized and directed to execute agreements for the programming and construction of the aforementioned projects with Federal and/or State aid under the Surface Transportation Program, copies of which are attached to Common Council Resolution File Number 981051, and are incorporated in this resolution by reference as though set forth in full; and, be it

Further Resolved, That the CPW is hereby authorized and directed to undertake or engage a consultant to undertake preliminary engineering for the improvement of the aforementioned projects and to reimburse the WISDOT for preliminary engineering costs they incur for the improvement; and, be it

Further Resolved, That the CPW is hereby authorized and directed to enter into an agreement with the WISDOT pertaining to the cost participation for the installation and/or modification of traffic control facilities in conjunction with the improvements of the aforementioned projects; and, be it

Further Resolved, That the CPW is hereby authorized and directed to install the traffic control facilities necessary in conjunction with the aforementioned projects, following the execution of the traffic control agreement the cost of which will be included in future resolutions; and, be it

Further Resolved, That the City Comptroller is hereby authorized to create within the Capital Improvement Fund, Grant and Aid Projects, the necessary accounts for preliminary engineering for the projects (Expenditure and Revenue), and transfer to any of these accounts the amount required under the grant agreement and City Accounting Policy but not to exceed a 10 percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater, and to transfer the corresponding offsetting revenue as follows:
