THE CHAIR

Resolution authorizing the Commissioner of Public Works to execute Project Agreements titled “State Municipal Agreement for a Transportation Alternatives Program Project” with the Wisconsin Department of Transportation and to set up design engineering at a total estimated cost of \$803,357, with an estimated City of Milwaukee share of \$160,671 and a grantor share of \$642,686 for four projects.

This resolution authorizes the Commissioner of Public Works to execute Project Agreements with the Wisconsin Department of Transportation for the planning, design and construction of four Transportation Alternatives Program (TAP) projects. This resolution also directs the City of Milwaukee Comptroller to transfer funds and establish project grant chartfield values for the planning and preliminary engineering for these projects. The Project Agreement provides for 80 percent Federal aid and 20 percent local funds. The total estimated cost of the four projects is \$2,579,432 with a grantor share of \$2,063,546, and a City share of \$515,886. The total estimated planning and preliminary engineering cost for the four projects is \$803,357, with a grantor share of \$642,686 and a City share of \$160,671. Construction funds for these projects will be included in future resolutions.

Whereas, The project agreements have been requested and received from the Wisconsin Department of Transportation to be executed by the City of Milwaukee for programming, planning, design and construction of the following projects under the Transportation Alternatives Program:
