THE CHAIR

Resolution authorizing the Commissioner of Public Works to issue an excavation permit on pavement less than three years old in the 200 block of North Water Street and the 200 block of East Buffalo Street for the purpose of installing, at no cost to the City, fiber optic cable. (Department of Public Works)

- ANALYSIS - This resolution authorizes the Commissioner of Public Works to issue an excavation permit on pavement that is less than three years old.

Whereas, Ameritech wishes to extend an existing underground conduit to install fiber optic cable to a building located at 233-243 North Water Street; and

Whereas, An open cut method of installation is required in North Water Street and East Buffalo Street; and

Whereas, This open cut will affect pavement less than three years old and subject to a pavement guarantee; and

Whereas, Ameritech desires to install this cable prior to the expiration of the pavement guarantee date; now, therefore, be it

Resolved, by the Common Council of the City of Milwaukee that the Commissioner of Public Works is hereby authorized and directed to issue an excavation permit to allow the installation of fiber optic cable in the guaranteed pavement in North Water Street and East Buffalo Street; and, be it

Further Resolved, That the pavement restoration of the affected streets shall be accomplished in accordance with the specifications and restrictions established by the Department of Public Works of the City of Milwaukee and at no cost to the City.
