Resolution relative to the application, acceptance, and funding of revised Funding Agreement for an Inflow and Infiltration grant from the Milwaukee Metropolitan Sewerage District, increasing the grantor funding by \$670,000 to \$4,070,000, for the project in the area bounded by: North 82nd Street to North 92nd Street from West Center Street to West Burleigh Street.

This resolution authorizes the Department of Public Works, Infrastructure Services Division to accept and fund additional work for the Inflow and Infiltration (I/I), Demonstration project in the amount of \$670,000 with an Milwaukee Metropolitan Sewerage District (MMSD) reimbursement amount of \$670,000 with the City of Milwaukee (City) paying for additional costs above the allocated amount. The purpose of the funding is to reduce the amount of I/I, ultimately reducing the chances of basement backups to residents in the area bounded by North 82nd Street to North 92nd Street from West Center Street to West Burleigh Street. This area was identified by the Wisconsin Department of Natural Resources (WDNR) and MMSD as having high levels of inflow and infiltration. This resolution also authorizes the Commissioner of Public Works to execute a funding agreement between the City and the MMSD.

Whereas, The City is eligible for additional funding in 2012 from the Milwaukee Metropolitan Sewerage District (MMSD) through its private property Inflow and Infiltration (I/I) reduction program; and

Whereas, The City has bid out the original contract and is requesting additional money for properties in the project area that have been added; and

Whereas, The work proposed for this area is for the rehabilitation of approximately 84 additional sanitary building sewers (laterals) utilizing a cured-in-place lining (trenchless) method; and

Whereas, The additional work includes 23 laterals that showed high amounts of I/I in the un-lined portion or large lengths that could not be rehabilitated (greater than 14-feet). These laterals will be rehabilitated utilizing cured-in-place lining (trenchless) method under the existing contract; and

Whereas, This program is 100% voluntary and property owners can opt out at any time ; and

Whereas, The MMSD has offered to reimburse the City with additional funds not to exceed \$670,000 totaling \$4,070,000 for the project; and

Whereas, The operation of the additional funding for the I/I project is effective from the date the agreement is executed through August 2012 and is estimated to cost \$670,000 of which \$670,000 would be reimbursed by

the MMSD upon completion ; and

Whereas, Department of Public Works/Infrastructure Services has committed funds for the entire cost of the project per common council file Number 101440 (SM494110103); now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works is hereby authorized to accept such a fund without further Common Council approval unless the terms of the grant change as indicated in Common Council file 030712 (Grant Ordinance); and, be it

Further Resolved, That upon approval of this contract, the City Comptroller is hereby authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project; and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater as follows:
