THE CHAIR

Resolution relative to funding and construction of the Emmer Lane Water Quality Project with the Wisconsin Coastal Management Program grant, with a total cost of the project of \$250,000 with a grantor share of \$100,000 (40%) and a local share match of \$150,000 (60%).

This resolution authorizes the proper City Officers to set up funding and construct the Emmer Lane Water Quality Project with a Wisconsin Coastal Management Program (WCMP) grant. The total cost of the project is \$250,000 with a grantor share of \$100,000 (40%) and a local share match of \$150,000 (60%). The local share of \$100,000 is budgeted in the City's 2008 Sewer Maintenance Fund with the remaining \$50,000 coming from other non-City sources, as indicated in Common Council File 061404. The purpose of the grant is to aid in funding for the construction of a plan to prevent the accumulation of debris in the Menomonee River at the Emmer Lane Bridge.

Whereas, The City of Milwaukee along with a variety of local organizations and businesses continues its efforts to revitalize the Menomonee Valley; and

Whereas, As part of the revitalization effort, the City and the local organizations and businesses intend to remedy a persistent debris accumulation problem on the Menomonee River at Emmer Lane; and

Whereas, The cost of implementing a plan to eliminate the debris problem is approximately \$250,000; and

Whereas, The Commissioner of Public Works applied for and accepted a WCMP grant for \$100,000 as authorized by Common Council File 061404, to be applied towards the total cost of the project; and

Whereas, Friends of Milwaukee's Rivers will contribute \$27,500 of the \$150,000 local match; and

Whereas, The Menomonee Valley BID will also contribute up \$22,500 in the event that total construction costs exceed the City's available funds; and

Whereas, Funds for the City's share of the required match are available from the Sewer Maintenance Fund and authorized in the City's 2008 budget; now, therefore, be it
