2. Create the necessary Special Revenue Fund - Grant and Aid Project/Grant and Project/Grant Levels; budget against these Project/Grant values the amount required under the grant agreement; and, be it

Further Resolved, That these funds are budgeted to the Health Department which is authorized to:

1. Expend from the amount budgeted sums for specified purposes as indicated in the grant budget and incur costs consistent with the award date;
2. Expend from the 2012 grant budget for training and out-of-town travel for staff;
3. Expend from the 2012 grant budget for equipment as specified in the grant budget; and, be it

Further Resolved, That the Common Council directs that the 2012 Positions Ordinance C.C. File Number 110441, should be amended as follows:
