Resolution relative to the application of the HPV Squared: Increasing Health Professionals' Voice in HPV Vaccine Recommendation Grant from the U.S. Department of Health and Human Services-Centers for Disease Control and Prevention.

## File #: 121655, Version: 0

Whereas, The City of Milwaukee Health Department appears to be eligible for grant funds from the U.S. Department of Health and Human Services-Centers for Disease Control and Prevention (CDC) to develop interventions to train family physicians and pediatricians to communicate effectively with parents of 11-12 year-olds about human papillomavirus (HPV) vaccination; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that application to the U.S. Department of Health and Human Services-Centers for Disease Control and Prevention (CDC) is authorized.

Health Department
