 SUBSTITUTE 1
 ALD. MURPHY
 Substitute resolution approving the Master Agreements for a Plan of Deferred Compensation relating to the City’s Deferred Compensation Plan.

Under section 5-50 of the City Charter, the City has made available to its employees a deferred compensation plan which permits participants to save for retirement by deferring compensation from their wages. The plan is an eligible plan under section 457(b) of the Internal Revenue Code. The plan is supervised by a board and administered under a Master Agreement which is amended from time to time as required by federal tax law or as deemed advisable by the Common Council. The Charter allows the board to administer plans for multiple employers and at this time there are, in addition to the City of Milwaukee, multiple identical Master Agreements for the City of Milwaukee Employees’ Retirement System, the Housing Authority of the City of Milwaukee, the Redevelopment Authority of the City of Milwaukee and the Wisconsin Center District.

This resolution approves all the Master Agreements for the deferred compensation plans which include new amendments relating to domestic relations orders and hardship distributions to alternate payees as permitted under IRS code.
