Substitute resolution granting a special privilege to CMK Inc., for the installation of a monitoring well on the northeast corner of North 4th Street and West Garfield Avenue adjacent to 2212-28 North 4th Street, in the 6th Aldermanic District in the City of Milwaukee.

- Analysis -

This resolution grants a special privilege to CMK Inc. for the installation of a monitoring well on the northeast corner of North 4th Street and West Garfield Avenue adjacent to 2212-28 North 4th Street.

Whereas, It has been deemed necessary to conduct an environmental assessment for a site located at 2212-28 North 4th Street to determine petroleum product migrational patterns; and

Whereas, It has been determined that in addition to the proposed monitoring wells needed to be placed on private property that one location needs to be within the public right of way for an extended period of time; and

Whereas, This monitoring well may only legally remain in the public right of way by the granting of a special privilege by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that CMK Inc./ c/o C. H. Coakley & Co., 3530 West Pierce Street, is hereby granted the following special privilege:

To install and maintain a flush mounted monitoring well in the public right of way of North 4th Street and West Garfield Avenue located approximately 10 feet south of the northline of West Garfield Avenue and approximately 9 feet west of the eastline of North 4th Street. Said well shall extend to a point approximately 30 feet below grade.

The monitoring well shall be installed/maintained and used/removed to the satisfaction of the Commissioners of Public Works and Building Inspection in accordance with the City of Milwaukee Building Codes and Zoning Ordinances. All necessary permits shall be obtained from the Commissioners of public Works and Building Inspection.

; and, be it
