Substitute resolution amending a special privilege granted to Washington Square Associates II Ltd. Partnership to install and maintain granite pavers, three flag poles and six bollards with lights in the public right-of-way adjacent to the property located at 731 North Jackson Street, to now change the name of the grantee of the special privilege to Jackson Street Real Estate, LLC, in the 4th Aldermanic District in the City of Milwaukee. This resolution amends a special privilege granted to Washington Square Associates II Ltd. Partnership to construct and maintain granite pavers, three flag poles and six bollards with lights in the public right-of-way on the west side of North Jackson Street, adjacent to the premises known as 731 North Jackson Street, to now allow placement of four pavement uprights in the public right-of-way, and delete reference to the bollards and change the name of the grantee of the special privilege to Jackson Street Real Estate, LLC. Whereas, Washington Square Associates II Ltd. Partnership was granted a special privilege under Common Council Resolution File 882416, on April 25, 1989, to install and maintain granite pavers, three flag poles and six bollards with lights encroaching into the public right-of-way on the west side of North Jackson Street, adjacent to the premises at 731 North Jackson Street; and

Whereas, The current owner of the property is Jackson Street Real Estate, LLC and should now be named as

the grantee of the special privilege; and

Whereas, A recent field investigation found that the bollards have been removed from the public right-of-way and four pavement uprights have been placed adjacent to the flag poles; and

Whereas, The granite pavers, three flag poles and four pavement uprights may only occupy the public right-of-way through the adoption of a special privilege resolution by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that Common Council Resolution File Number 882416 is hereby rescinded; and, be it

Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
