THE CHAIR

Resolution requesting variance from procedure as adopted in Common Council Resolution File No. 881665 as this procedure relates to financing assessable work in the Capital Program for Alley Construction Paving Projects. (Infrastructure Services Division)

This resolution will authorize a supplemental appropriation of \$150,000 in the Alley Construction Project/Grant Account ST212000000-0330.

Whereas, Common Council Resolution File No. 881665 adopted December 20, 1988, provides that appropriation authority for anticipated gross expenditures regardless of the sources of funds shall be provided in the Capital Budget; and

Whereas, For the 2000 budget, the assessable appropriation for Alley Construction Paving Projects was provided in the amount of \$750,000; and

Whereas, Alley Construction Paving Projects require an assessable amount which exceeds that provided in the 2000 budget appropriation for this purpose; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that procedure

as outlined in Common Council Resolution File No. 881665 adopted on December 20, 1988, with respect to financing assessable Alley Construction Paving shall be waived for the year 2000 to allow Alley Construction Paving of \$150,000 in excess of the 2000 budgeted amounts to be undertaken; and, be it

Further Resolved, That the City Comptroller be and hereby is authorized and directed to establish appropriate accounting for this purpose which will record the financing of the additional Alley Construction Paving Program for 2000 by means of anticipated receipts from assessments.
