THE CHAIR

Resolution approving the blight designation of the City-owned brownfields at 3034 West Lisbon Avenue and 3044 West Lisbon Avenue and of the adjoining City-owned vacant lot at 1812 North 31st Street for acquisition and remediation by the Redevelopment Authority of the City of Milwaukee, in the 15th Aldermanic District.

Adoption of this resolution by at least two-thirds vote of the Common Council of the City of Milwaukee will approve the blight designation of City-owned properties for acquisition by the Redevelopment Authority of the City of Milwaukee pursuant to Section 66.1333, Wisconsin Statutes.

Whereas, The Redevelopment Authority of the City of Milwaukee ("Authority") plans to apply for funding from the United States Environmental Protection Agency ("EPA") to assist remediation of the brownfields located at 3034 West Lisbon Avenue and 3044 West Lisbon Avenue that were acquired by City of Milwaukee ("City") through in-rem tax foreclosure as candidates for remediation using this funding source; and

Whereas, The EPA requires that the Authority be the owner of these properties to be eligible to apply for, accept and use the Brownfield Clean Up Grant; and

Whereas, The City also owns the vacant lot at 1812 North 31st Street that adjoins the brownfield property at 3044 West Lisbon Avenue and this lot should be assembled under common ownership of the Authority to facilitate future marketing and development; and

Whereas, Section 66.1333(5)(c), Wisconsin Statutes, enables the Authority of a first class city, with the approval of the local legislative body of that city, to acquire blighted properties without designating a boundary or adopting a Redevelopment Plan after providing proper notice to the property owner(s) and conducting a public hearing on the proposed blight designation; and

Whereas, The City waived its right to receive the statutory notices and the Authority conducted a public hearing on December 19, 2013 pursuant to the provisions of Section 66.1333(5)(2), Wisconsin Statutes; and

Whereas, After the public hearing, the Authority determined the subject properties to be blighted within the meaning of Section 66.1333(2m)(bm), Wisconsin Statutes, as summarized in a Blight Designation Summary, a copy of which is attached to this Common Council File, and requested Common Council approval of the blight designation and acquisition by the Authority; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the City-owned properties at 3034 West Lisbon Avenue, 3044 West Lisbon Avenue and 1812 North 31st Street are found to be blighted pursuant to Section 66.1333, Wisconsin Statutes; and, be it

Further Resolved, That the Commissioner of the Department of City Development, or designee, is authorized to execute the deed to transfer the properties to the Authority without monetary consideration for remediation and marketing for development and to execute any documents necessary to provide clear title.
