SUBSTITUTE

THE CHAIR

Substitute resolution to grant a special privilege to RCM Group LLC for a new platform with steps, an existing platform with steps and excess door swing as well as existing vent pipes encroaching into the West Burnham and South 38th Streets for the building at 3722-24 West Burnham Street, in the 8th Aldermanic District in the City of Milwaukee.

This resolution grants permission for a platform with steps to be constructed in the public rights-of-way and for other existing encroachments to remain, abutting 3722-24 West Burnham Street.

Whereas, The building located at 3722-24 West Burnham Street is being remodeled from a tavern to office use; and

Whereas, At the main entrance, the proposal is to rehing the door, eliminate the change of grade between the present outer and inner doors, construct a platform with steps for the change of grade outside of the building but located within the public rights-of-way of West Burnham and South 38th Streets and have the outer door swing out over the platform; and

Whereas, The plan indicates that there is an existing wood electric pole located on West Burnham Street in the

11-foot wide fully concrete paved sidewalk area such that the new lowest step will provide 5 feet of horizontal clearance, being the minimum that should be allowed; and

Whereas, The plan indicates and our field viewing confirms that there is an existing encroaching concrete platform with steps and excess door swing along the South 38th Street side near the rear of the building; and

Whereas, We also observed that there are 2 encroaching vent pipes from the basement on the South 38th Street side; and

Whereas, These items on South 38th Street encroach into an approximately 4.5-foot wide grass area between the building (property line) and public sidewalk within the 15-foot wide east sidewalk area, thereby not being a problem for pedestrians; and

Whereas, All of the above discussed encroachments, in order to be constructed or remain within the public rights-of-way, will require that an enabling resolution be adopted by the Common Council; now, therefore, be it

Resolved, That RCM Group LLC, c/o Robert Marking, 500 Elm Grove Road, Ste. 101, Elm Grove, WI 53122, is hereby granted the following special privileges:

To keep, use and maintain 2 PVC vents projecting horizontally approximately 7 inches and 9 inches and vertically approximately 1 foot, at distances of 37 and 30 feet, respectively, north of the northline of West Burnham Street within the 4.5-foot wide grass area abutting the building within the 15-foot wide east sidewalk area of South 38th Street, from the building at 3722-24 West Burnham Street.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services. All necessary permits shall be obtained prior to the placing of said items.

Said items shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.
