Resolution combining two special privileges and changing the name to Milwaukee City Center LLC d/b/a the Hilton Milwaukee City Center for encroachment into the public right-of-way of items previously granted permission for the premises at 509 West Wisconsin Avenue, in the 4th Aldermanic District in the City of Milwaukee.

This resolution changes the name for items previously granted permission under Common Council Resolution File Number 950352 and combines both special privileges granted under Common Council Resolution File Numbers 950352 and 010525.

Whereas, Milwaukee City Center d/b/a the Hilton Milwaukee City Center applied for a special privilege amending an existing special privilege for permission for various items in the public right-of-way and for change of ownership; and

Whereas, Common Council Resolution File Number 010525 was written to grant permission for various items to encroach into the public right-of-way, however, through clerical oversight, items previously granted

permission under Common Council Resolution File Number 950352 were not included in the newer resolution; and

Whereas, The name of the owner must be amended for the items granted permission under Common Council Resolution File Number 950352 in order to transfer liability to the current property owner and this should have been done under Common Council Resolution File Number 010525; and

Whereas, Combining both special privileges will make future management of the special privileges more efficient; now, therefore, be it

Resolved, That Common Council Resolution File Numbers 950352 and 010525 are hereby rescinded; and, be it
