Resolution rescinding various special privileges for items that are no longer located within the public right-of-way or which are now permitted into the public right-of-way at various locations within the City of Milwaukee. This resolution rescinds various special privileges granting permission for items to encroach into the public right-of-way because said items have been removed from the public right-of-way or are now permitted in the public right-of-way.

Whereas, Said special privileges granted permission for various encroachments in the public right-of-way; and

Whereas, Subsequently, the owner of each special privilege has removed all subject items from the public right-of-way in a manner that satisfies the Commissioners of Public Works and Department of Neighborhood Services or the encroachment is now permissible under the Milwaukee Code of Ordinances; and

Whereas, Said owners notified the Department of Public Works that they no longer need the special privilege granted them; and

Whereas, In order to release property owners from the bonding, insurance and annual special privilege fee requirements placed on the property owner as part of the granting of a special privilege, the Common Council needs to pass a resolution rescinding special privileges which are no longer needed; now, be it
