The total cost of the training program is \$491,000. A MAWIB grant of up to \$175,000 will be used to pay for the City staff of trainers, as well as for Commercial Driver's License training for 30 trainees, and personal protective equipment for 30 trainees. Participants will have the opportunity to earn multiple credentials; including a Commercial Driver's License Class B with airbrakes, Tree Care Industry Association Tree Care Academy Ground Operations Specialist, Wisconsin Pesticide Application License, and CPR certification. At the end of the program, 15 trainees will be brought on as seasonal City staff while the remaining will be linked with private landscape or tree care companies for employment.
