THE CHAIR

Resolution directing the City Comptroller to transfer \$1,000 for payment to the Milwaukee Metropolitan Sewerage District due to a stipulation among the tributary communities.

This resolution directs the City Comptroller to transfer \$1,000 from parent account SM498050000 to sub-account SM498050008. This amount is required to be paid as penalty per Section 33 of a Stipulation between the State of Wisconsin and Milwaukee Metropolitan Sewerage District's tributary communities.

Whereas, Following sanitary overflow events in mid-2004, a stipulation was entered into by the Milwaukee Metropolitan Sewerage District's (MMSD) tributary communities, including the City of Milwaukee, and the State of Wisconsin in December 2005; and

Whereas, Section 33 of said stipulation imposes a \$1,000 penalty for the first Nonexempt Sanitary Sewer Overflow (SSO); and

Whereas, In September 2006 a mechanical failure at the City's lift station located at 2500 North Lincoln Memorial Drive caused an SSO; and

Whereas, Per Section 36 of the Stipulation, any and all stipulated penalties shall be paid into MMSD's Conservation Easement Program; and

Whereas, The 2005 budget for the Sewer Maintenance Fund included funding and borrowing authority in the amount of \$1,206,000 for flow reduction projects (Account number SM498050000); and

Whereas, The adoption of Resolution File Number 050267 removed the borrowing authority for \$137,500 of the original budget amount for the downspout disconnection project, which is one of the aforementioned flow reduction projects; and

Whereas, payment for this penalty shall be made from account number SM498050000; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the City Comptroller is hereby authorized to transfer \$1,000 from parent account SM498050000 to sub-account SM498050008; and, be it

Further Resolved, That after said transfer has been made, the Sewer Maintenance Fund is directed to issue a check in the amount of \$1,000 to the MMSD.
