Substitute resolution approving a minor modification to the General Planned Development known as Forest County Potawatomi Legacy District, on land located on the South Side of West Canal Street and West of South 16th Street, in the 8th Aldermanic District. This substitute resolution approves the installation of a private extension drive to service an existing parking structure and enhanced lighting and increased illumination in open areas, parking lots and walkways for security purposes. Whereas, Section 295-907-3(i) of the Milwaukee Code of Ordinances permits variation to planned developments after approval of the Common Council; and

Whereas, The installation of a private extension drive to service an existing parking

structure and enhanced lighting and increased illumination in open areas, parking lots and walkways for security purposes, is consistent with the spirit and intent of the approved plan and will not adversely affect surrounding development and a copy of which is attached to this Common Council File as Exhibit A which is on file in the office of the City Clerk and made a part as though fully set forth herein; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the minor modification to the approved plan permitting the installation of a private extension drive to service an existing parking structure and enhanced lighting and increased illumination in open areas, parking lots and walkways for security purposes, is approved.
