### SUBSTITUTE 1

Substitute resolution granting a special privilege to Riverplace Lofts LLC, Docks Building LLC, and Beam House Apartments LLC to construct and maintain a fence, bollards, guard shack, a security phone, and four gate motors in the public right-of-way for the premises at 625 and 640 West Freshwater Way, in the 12<sup>th</sup> Aldermanic District.

This resolution grants a special privilege to Riverplace Lofts LLC, Docks Building LLC, and Beam House Apartments LLC to construct and maintain a fence, bollards, guard shack, a security phone, and four gate motors in the public right-of-way for the premises at 625 and 640 West Freshwater Way.

Whereas, Riverplace Lofts LLC, the developer requested permission to construct and maintain an illuminated sign and decorative metal fence in the public right-of-way; and

Whereas, The property has subsequently been divided with the owners of record being Docks Building LLC and Beam House Apartments LLC, which appear to be under the same ownership as Riverplace Lofts LLC per the Wisconsin Department of Financial Institutions Corporate Records; and

Whereas, A site visit revealed the presence of a guard shack, bollards, security phone, and four gate motors in the public right-of-way; however, there was no illuminated sign; and

Whereas, The developer was granted an easement to use the area under the Sixth Street Viaduct for a parking lot and, thus, a special privilege is not required for improvements for the parking lot such as curbs, pavement, and parked vehicles; and

Whereas, Said items may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; now, therefore, be it
