THE CHAIR

Substitute resolution authorizing the Commissioner of Public Works to install fiber and provide network connectivity at the expense of and for the use and benefit of Wisconsin Lutheran College. This resolution authorizes the Commissioner of Public Works to install fiber and provide network connectivity at the expense of and for the use and benefit of Wisconsin Lutheran College. Whereas, Wisconsin Lutheran College has requested the assistance of the City of Milwaukee in obtaining high-speed network connectivity between its campus and its dormitory and to the Internet through WiscNet at its expense; and

Whereas, WiscNet is a not-for-profit association established to further education, research, economic

development and public service in Wisconsin by creating and operating a digital communications network interconnecting public and private organizations, including the provision of Internet services; and

Whereas, This collocation facility enables Milwaukee area educational institutions to gain access to WiscNet and the next generation internets including: BoreasNet, Abilene/Internet2 and other national and international networks, and it further enables connectivity between higher education and cultural institutions within the City of Milwaukee including: Marquette University, MATC, MAID, Milwaukee Public Museum, Milwaukee Public Television, Discovery World, Pier Wisconsin, VISIT Milwaukee, Milwaukee World Festival Inc. and Midwest Airlines Center; and

Whereas, The City of Milwaukee owns dark fiber and can provide network services in certain routes that would be beneficial to the extension and enhancement of Wisconsin Lutheran College to further its mission; and
