THE CHAIR

Resolution authorizing the Commissioner of Public Works and Comptroller to execute a State Municipal Agreement with the Wisconsin Department of Transportation for the installation of traffic signal improvements on West Forest Home Avenue and South 27th Street at Six Connecting Highway Intersections and to fund preliminary engineering for the project in various Aldermanic Districts at an estimated cost of \$203,000, with an estimated grantor share of \$182,700, and an estimated City share of \$20,300.

This resolution authorizes the Commissioner of Public Works and Comptroller to execute a State Municipal Agreement with the Wisconsin Department of Transportation for the installation of traffic signal improvements on West Forest Home Avenue and South 27th Street at Six Connecting Highway Intersections and to fund preliminary engineering for the project in various Aldermanic Districts with a total estimated cost of \$954,900, with an estimated grantor share of \$859,410, and an estimated City share of \$95,490. The total estimated preliminary engineering cost for the project is \$203,000, with a grantor share of \$182,700 and a City share of \$20,300. Approval of construction costs will be in a future resolution.

Whereas, Preliminary approval has been requested and received from Wisconsin Department of Transportation, along with a State Municipal Agreement to be executed by the City of Milwaukee, for the programming and construction of a traffic signal improvement project under the 2016 Highway Safety Improvement Program; and

Whereas, The intersections on West Forest Home Avenue at West Oklahoma Avenue-South 44th Street, South 43rd Street, West Kinnickinnic River Parkway, South 35th Street, and South 27th Street and South 27th Street at West Cleveland Avenue have been identified for traffic signal improvements; and

Whereas, Preliminary approval has been requested and received from the Wisconsin Department of Transportation, along with a State Municipal Agreement to be executed by the City of Milwaukee, for the programming and construction of the project under the 2016 Highway Safety Improvement Program; and

Whereas, The Wisconsin Department of Transportation has submitted a State Municipal Agreement for execution by the City of Milwaukee for the design and construction of:

Project I.D. 2120-17-00, 2120-17-70, and 2120-17-90
Six Connecting Highway Intersections (West Forest Home Avenue-South 27th Street)
Milwaukee County
; and

Whereas, The State cannot proceed with any project cost overruns and changes in scope of more than 5% without prior Department of Public Works approval; and

Whereas, The Department of Public Works shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and changes in scope approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100% liable for any such project cost overruns and changes in scope as approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any costs incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works and the Comptroller are authorized to execute a State Municipal Agreement for the programming, design, and construction of aforementioned project with Highway Safety Improvement Program funds, copies of which are attached to and incorporated in this resolution by reference as though set forth in full; and, be it

Further Resolved, That the proper City of Milwaukee official is hereby directed to undertake preliminary engineering for the above-mentioned project and to reimburse the Wisconsin Department of Transportation for preliminary engineering costs they incur for the improvements; and, be it

Further Resolved, That Department of Public Works shall request in a future resolution funding for the construction phases of the project; and, be it

Further Resolved, That the City Comptroller is hereby authorized to create within the Capital Improvement Fund, Grant and Aid Projects, the necessary Project Chartfield Values for preliminary engineering for this project; and transfer to these accounts the amount required under this grant agreement and City Accounting policy, but not to exceed a 10 percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater as follows:
