SUBSTITUTE 1

160438

ALD. BOHL

Substitute resolution directing the Comptroller's Office to select and contract with a third-party testing consultant to conduct an outside review of Milwaukee Water Works' additives and corrosion-control products.

This resolution directs the Comptroller's Office to select and contract with a third-party testing consultant to conduct an outside review of Milwaukee Water Works' additives and corrosion-control products.

Whereas, The Water Quality Task Force was established by resolution Common Council File Number 160438 on July 26, 2016; and

Whereas, The Task Force was charged with exploring the problem of lead in the City's drinking-water infrastructure and with investigating and making recommendations regarding additional ways to ensure the long-term health and safety of Milwaukee's drinking water; and

Whereas, The Task Force recommended that the City contract with a third-party testing consultant for an outside review of Milwaukee Water Works' additives and corrosion-control products in order to build community confidence in its ability to deliver healthy and safe drinking water to its users; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, That the Comptroller's Office is directed

to select and contract with a third-party testing consultant to conduct an outside review of Milwaukee Water Works' additives and corrosion-control products; and, be it

Further Resolved, That the Comptroller's Office shall work in conjunction with Milwaukee Water Works to identify third parties that are suitable for conducting such an outside review of its additives and corrosion-control products to ensure that the Water Works' water chemistry is at an optimized level for mitigating the leaching of lead.
