This ordinance revises provisions of the code for purposes of correcting errors, clarifying language and eliminating obsolete provisions.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 75-15-2-a-1 of the code is amended to read:

75-15. Ambulance Certification Regulations.

2. AMBULANCE SERVICE BOARD.

a. Establishment.

a-1. A member of the public safety >>and health<< committee appointed by the president of the common council.

Part 2. Section 79-6-3 of the code is amended to read:

#### 79-6. Solid Waste Charge.

3. OVERALL RESPONSIBILITY FOR ADMINISTERING THE SOLID WASTE CHARGE. The commissioner of public works shall administer the solid waste charge. [[He or she]] >>The commissioner<< may formulate and promulgate rules which shall be applicable with respect to the administration and collection of the solid waste charge, and may make amendments thereto, subject to approval by the public safety >>and health<< committee as may be required from time to time for proper application of the solid waste charge.

Part 3. Section 101-23-8-a-0 and 2 of the code is amended to read:

101-23. Erection of Parking Signs.

8. TAXICAB STANDS; REGULATIONS. a. Established. The public safety >>and health<< committee, subject to approval of the common council, may designate certain locations as taxicab stand areas to comply with the regulations set forth in this section.

a-2. Signs. The public safety >>and health<< committee shall arrange to provide suitable signs which shall clearly designate taxicab stands and shall be attached to a post adjacent to the stands.

Part 4. Section 106-53-1 of the code is amended to read:

106-53. Loitering of Sex Offenders.

1. LOITERING. It shall be unlawful for any person defined as a designated offender under s. 106-51-2-b, to loiter or prowl, [[in the locations specified in s. 106-51-3-a,]] >>in a school, licensed day care center, park, recreational trail, or playground,<< in a place, at a time, or a manner not usual for law-abiding individuals under circumstances that warrant alarm for the safety of persons or property in the vicinity. Among the circumstances which may be considered in determining whether such alarm is warranted is the fact that the actor takes flight upon appearance of a peace officer, refuses to identify himself or herself or manifestly endeavors to conceal himself or herself or any object. Unless flight by the actor or other circumstances makes it impracticable, a peace officer shall prior to any arrest for an offense under this section, afford the actor an opportunity to dispel any alarm which would otherwise be warranted, by requesting him or her to identify himself or herself and explain his or her presence and conduct at the [[locations specified in s. 106-51-3-a]] >>school, licensed day care center, park, recreational trail, or playground<<. No person shall be convicted of an offense under this section if the peace officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the actor was true and, if believed by the peace officer at the time, would have dispelled the alarm.

Part 5. Section 115-45-2-a-2-b of the code is amended to read:

115-45. Selling Articles from Parked Vehicles.

2. LOCATIONS WHERE SELLING PROHIBITED.

a. Near Schools or Residences.

a-2-b. If special permission is granted (which special permission shall not be unreasonably withheld) in writing for a specified vehicle for a specific location, date and time period by the public safety >>and health<< committee of the common council.

Part 6. Section 200-17-3-i of the code is amended to read:

200-17. Standards and Appeals Commission.

3. POWERS AND DUTIES.

i. [[Pursuant to s. 222-11-19, the]] >>The<< commission shall have the power to conduct a hearing and render a decision regarding the nonrenewal, suspension for a period of not more than 60 days, or revocation of an electrical license issued under ch. 222.

Part 7. Section 200-61-1 of the code is amended to read:

200-61. Architectural Review Board.

1. PURPOSE AND FINDINGS. The common council finds that the physical and architectural character of certain neighborhoods and locations in the city require special regulation with respect to the alteration, rehabilitation and construction of buildings, structures or sites because of significant historical, cultural, social or commercial attributes. In order to promote this goal, an architectural review board is created to review all applications for the alteration, rehabilitation or construction of any building, structure or site in a designated district, except for those exempted under [[sub. 10]] >>sub. 9<<, prior to the issuance of permits under s. 200-24 by the department of city development.

Part 8. Section 295-311-1-a-3 of the code is repealed.

Part 9. Section 295-311-1-a-4 is renumbered 295-311-1-a-3.

Part 10. Section 295-603-1 (table) of the code is amended to read:
