The Chair

This resolution authorizes the Milwaukee Fire Department to enter into a paramedic services agreement with the County of Milwaukee for a 2-year extension period from January 1, 2019 to December 31, 2020, to provide paramedic services. The agreement allows the Fire Department to provide paramedic emergency medical services and assure a uniform delivery system is in place between the City and the County. The department has been providing these services since August 25, 1977, with the current agreement expiring on December 31, 2018. Under the terms of the service agreement, the City is expected to generate \$702,661.04 in annual revenues in 2019 and \$658,877.82 in 2020 less \$19,200.38 each year for FATPOT Annual Maintenance. FATPOT is the FusionPlatform product that interconnects 911 CAD systems.

Whereas, The City of Milwaukee and County of Milwaukee entered into a contract for paramedic services on August 25, 1977; and

Resolved, By the Common Council of the City of Milwaukee, that the paramedic contract between the City of Milwaukee and County of Milwaukee, a copy of which is attached to this file, is approved and the proper City officers are authorized and directed to execute the agreement on behalf of the City.
