This resolution expresses the City’s support 2017 Wisconsin Senate Bill 449, funding for Reach Out and Read, an early childhood literacy initiative.

Whereas, A third of young children, and half of children living in poverty, in the U.S. arrive at kindergarten without the skills they need for success at school; and

Whereas, More than 95 percent of a child's brain is formed during the first few years of life, and a child's early experiences irreversibly affect how the brain develops - for better or worse; and

Whereas, Nurturing family interactions support healthy brain development in young children; and

Whereas, Reach Out and Read prepares America’s youngest children to succeed in school by partnering with clinicians to prescribe books and encourage families to read together; and

Whereas, Reach Out and Read doctors and nurse practitioners have the greatest access to families with children in the early years, when it counts, since more than 91 percent of children under the age of six attend routine pediatric visits at least once a year; and

Whereas, The evidence-based Reach Out and Read model is supported by 16 independent, peer-

reviewed, published studies; and

Whereas, The American Academy of Pediatrics has endorsed the Reach Out and Read model, promoting it as an essential component of pediatric primary care; and

Whereas, Wisconsin Senate Bill 449, providing State funding for Reach Out and Read, has been introduced by Senators Olsen, Wanggaard, Harsdorf, Johnson and Vinehout; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Common Council expresses its support for 2017 Wisconsin Senate Bill 449, funding for Reach Out and Read; and, be it
