THE CHAIR

Resolution determining it necessary to make various assessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$50,000 for a total estimated cost of these projects being \$400,000.

This resolution authorizes engineering studies and directs the Commissioner of Public Works to determine any benefits or damages which would result if the projects were to be constructed. After the Commissioner files his report, a Public Hearing will be held on those projects determined assessable. A resolution will be submitted after the Public Hearing authorizing construction. The City cost for engineering these projects is estimated to be \$50,000 with the total cost estimated to be \$400,000.

Resolved, By the Common Council of the City of Milwaukee that it is necessary and in the public interest to do the following described work according to City specifications, and that such public improvements and resulting special assessments be made pursuant to Section 66.0703 and any other pertinent sections of the Wisconsin Statutes and in the manner directed by Section 115-42 of the Milwaukee Code of Ordinances:

Various Aldermanic Districts

Removal of railroad spur tracks that are no longer in use (ST211180165): Replace pavement, curb and gutter and walk as necessary.(Nonassessable Reconstruction Paving fund-- \$50,000). The total cost of the project is estimated to be \$400,000. The project is anticipated to be constructed in the 2018-19 construction season.

; and, be it

Further Resolved, That the abutting and adjacent properties be assessed a portion of the cost, said assessment to be recommended by the Commissioner of Public Works in his report; and, be it

Further Resolved, That all assessments and payments be made in accordance with Section 115-42 of the Milwaukee Code of Ordinances; and, be it

Further Resolved, That all City departments are authorized to do engineering, surveying, preparing of plans, and estimates of cost thereof, to be utilized in the preparation of said report of the Commissioner of Public Works; and, be it

Further Resolved, That the Department of Public Works is authorized to use the funding as specified in the above description of work; and, be it

Further Resolved, That the City Comptroller is authorized to transfer such funds which are available for this purpose to the appropriate capital Project/Grant accounts.
