Further Resolved, That the Commissioner of Public Works is authorized to accept and execute the MMSD Green Infrastructure grant without further Common Council approval, unless the terms of the grant change as indicated in Common Council File 030712; and, be it

Further Resolved, That upon approval of this Agreement, the City Comptroller is authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project, and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater, as follows:

Fund	0306	0491
Organization	9990	6830
Program	0001	0001
Amount	\$145,000	\$80,000

; and, be it

Further Resolved, That these funds are appropriated to the Department of Public Works, which is authorized to expend from the amount budgeted for specific purposes as indicated in the grant budgets and incur costs consistent with the award date; and, be it

Further Resolved, That the Commissioner of Public Works is authorized to accept and execute the Green Infrastructure Funding Agreement between the City and the MMSD, a copy of which is attached hereto; and, be it

Further Resolved, That the Commissioner of Public Works shall have the authority to authorize transfers within the project budget so long as the amount expended for any purpose shall not exceed the amount authorized by the budget by 10% and such transfers are in accordance with grantor regulations; and, be it
