SUBSTITUTE 1
THE CHAIR

Substitute resolution determining it necessary to make various nonassessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$22,000 for a total estimated cost of these projects being \$312,000.

This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council. The City cost for engineering these projects is estimated to be \$22,000 with the total cost estimated to be \$312,000.

Resolved, By the Common Council of the City of Milwaukee, that it is necessary and in the public interest to do the following described improvements according to City specifications:

3rd Aldermanic District

N. Cramer St. - E. Locust St. to E. Linnwood Ave. (SM495180080) Relaying combined sewer. (Nonassessable Sewer Maintenance Relay Fund -- \$12,000). The total estimated cost for this project including the requested amount is \$214,000. This project is anticipated to be completed during the 2019 construction season.

14th Aldermanic District

S. Delaware Ave. - A point 240'+/- northwest of E. Estes St. to E. Estes St. (SM495180079)

Relaying combined sewer. (Nonassessable Sewer Maintenance Relay Fund -- \$10,000) The total estimated cost for this project including the requested amount is \$98,000. This project is anticipated to be completed during the 2019 construction season.

;and, be it

Further Resolved, That all City Departments are authorized to perform engineering, surveys, plan preparation, and determine an estimated cost thereof; and, be it

Further Resolved, That the Department of Public Works is authorized to use the funding as specified in the above description of work; and, be it

Further Resolved, That the City Comptroller is authorized to transfer such funds which are available for this purpose to the appropriate capital Project/Grant accounts.
