Resolution authorizing the Department of Administration - Environmental Collaboration Office to accept and fund an Energy Innovation Grant from Public Service Commission of Wisconsin's Office of Energy Innovation to develop a comprehensive energy plan for municipal buildings and vehicle fleet.

This resolution authorizes the Department of Administration- Environmental Collaboration Office (ECO) to accept grant award funds from the Public Service Commission, Office of Energy Innovation (PSC-OEI) to develop a comprehensive energy plan from municipal buildings and fleet. This project will be funded by a \$190,436 contribution from the PSC-OEI and a matching contribution of \$48,636 of in-kind staff time and capital funding from the City.

Whereas, On December 17, 2013, the Common Council adopted File Number 131035, a resolution adopting "ReFresh Milwaukee: City of Milwaukee Sustainability Plan 2013-2023" as the City's first sustainability plan and directing its implementation; and

Whereas, The energy chapter of the ReFresh Milwaukee plan contains the goal: "Portfolio-wide, the

City's building energy use reduced 20 percent by 2020 (per the City's pledge to meet the Better Buildings Challenge"; and

Whereas, Energy-efficiency projects can help the City of Milwaukee reduce municipal building and fleet operating expenses, improve the building stock, and improve the environment; and

Whereas, The City of Milwaukee participates in the national Better Buildings Challenge for its own facilities and encourages commercial building owners and managers in Milwaukee to track and reduce their energy usage through leading by example in the community; and

Whereas, Environmental Collaboration Office (ECO) convenes the City's Energy Reduction Team comprised of facility managers from various city departments to systematically work toward increasing energy efficiency of City facilities, which will help control long-term facility operating costs to taxpayers; and

Whereas, ECO and the Energy Reduction Team contracted with Edison Energy and have completed work on a *Preliminary Energy Reduction Study* which provides the foundation of the Comprehensive Energy Plan; and

Whereas, The City of Milwaukee will receive \$190,436 of award funds from PSC-OEI and has pledged in-kind staff time of \$48,636 for a total project value of \$239,072; now therefore be it

Resolved, By the Common Council of the City of Milwaukee, that the Department of Administration - Environmental Collaboration Office is authorized to enter into a \$239,072 cooperative agreement with the PSC-OEI to develop a comprehensive energy plan for City of Milwaukee municipal buildings and vehicle fleet; and, be it

Further Resolved, That the Environmental Collaboration Office is authorized to accept and allocate funding awards as outlined in the grant application, including contracting with Edison Energy, unless otherwise dictated by the Public Service Commission; and, be it

Further Resolved, That the City of Milwaukee assures and certifies that it will comply with the regulations, policies, guidelines and requirements with respect to the acceptance and use of the Public Service Commission cooperative agreement; and, be it

Further Resolved, That the City Comptroller is authorized to:
