b. Premises utilizing 4 or more electronic scanning devices shall pay the annual license fee provided in s. 60-91-4-b.

Part 61. Section 90-4-7.9 of the code is created to read:

90-4. Classification of Licenses.

7.9. PERMANENT EXTENSION OF PREMISES.

a. Authority. The granting of a permanent extension of licensed premises shall constitute an amendment of the primary license and plan of operation and shall authorize the licensee to sell or serve intoxicating liquors or fermented malt beverages, as permitted by the specific license held, in the area described in the application for permanent extension, as expressly approved by the common council.

b. Eligibility. Any person holding a valid Class "A" fermented malt beverage, Class "A" intoxicating liquor, Class "B" tavern, Class "B" fermented malt beverage, or Class "C" wine license may apply for permanent extension of the licensed premises. The area which the licensee wishes to include in a permanent extension of the licensed premises shall be owned by or under the control of the licensee.

c. Applicant's Responsibility. Application for the permanent extension of licensed premises shall be

made by an individual licensee, partner or the authorized agent in the case of a corporation or limited liability company, who shall be personally responsible for compliance with all of the terms and provisions of this chapter.

d. Application. Application for the permanent extension of licensed premises shall be made in writing to the city clerk on forms provided by the city clerk. The application shall be signed by the applicant, if an individual, a partner, or by a duly authorized agent or officer of a corporation or limited liability company, and shall be sworn to by the applicant. The application shall contain the name of the licensee, the address of the existing licensed premises, including the aldermanic district in which it is situated, a specific description of the area for which the permanent extension is sought, and such other reasonable and pertinent information as the common council, licensing committee, or city clerk may require. The city clerk shall forward all applications to the licensing committee.

e. Committee Action. The licensing committee shall hold a hearing on whether or not to grant each application for a permanent extension of licensed premises for special events. If any interested person objects to the granting of a particular application, then the licensee shall receive at least 3 days notice of the hearing date and the nature of the objection to the application. The applicant shall have an opportunity to appear at the hearing and be represented by counsel and to cross-examine witnesses opposed to the granting of the application for permanent extension of the licensed premises, and to present evidence in favor of the granting of the application. At the conclusion of the hearing, the committee shall make a recommendation to the common council on whether to grant the application. In making its recommendation, the committee may consider, among other factors, the appropriateness of the location for which a permanent extension of licensed premises is sought, whether such location will create an adverse impact on other property in the neighborhood, and any other factors which reasonably relate to the public health, safety and welfare. The common council shall act on the committee's recommendation without further hearing.

f. Issuance. If the common council grants the application for a permanent extension of licensed premises, and upon receipt of information that the department of neighborhood services has approved occupancy of the extended premises, the city clerk shall issue an appropriate confirming document to the applicant specifying the area of extension. The city clerk shall accept an amended plan of operation, subject to any conditions established by the common council, and shall amend the license accordingly. Operations on extended premises are not permitted prior to posting of the amended license.
